PALO ALTO, Nov. 2—Notice of approval by WPA of the city's harbor development project has just been received.

Work is expected to start next Thursday with a crew of about 10 men, which number will be increased to a maximum of approximately 30 as labor becomes available. The job, involving a total cost estimated at $32,980, will continue for seven months.

The federal government is contributing $21,596, while Palo Alto's share is $11,384, in the form of cash and services (such as the use of the municipal dredger). In addition to providing the cost of labor, the government is assuming responsibility for $4,723 worth of materials.

The project involves the following work.

Raise the levees around Sand Point and the shoreline of the bay to a point near the outfall sewer

Construct 300 linear feet of rock wall at the yacht basin.

Grade and oil the road to the yacht harbor.

Camino Real Cost Placed At $340,785

Bids on Widening Job Opened; L. A. Firm Probable Winner

Cost of widening 5.6 miles of El Camino Real between Beresford, San Mateo, and Broadway, Redwood City, will be $340,785, if the low bid of Basich Bros., Los Angeles paving contractors, announced today by the State Department of Public Works, is accepted.

Six other bids were also received at Sacramento. The Peninsula Paving Company, San Francisco, with a plant in Redwood City, offered to do the work for $344,259; the Union Paving Company, San Francisco, $348,737; the Hanrahan Company, San Francisco, of which William Hanrahan of Woodside is president, $354,838; David H. Ryan, San Diego, $384,163; Eaton & Smith, San Francisco, $393,364, and A. Teichert & Son, Sacramento, $395,130.

Award of contract for the work, to be given Basich Bros. if their bid is found to be in order, is expected to be made within a week or so, at the next meeting of the highway commission. Work then must start within another 10 days.

The low bidders have done considerable other work in Northern California, including the paving of the Bayshore highway except for a section in the extreme north end of San Mateo county. The firm is well known to both Acting City Manager C. L. Dimmitt and County Engineer U. S. Marshall.

Surface to be put on the highway, which will be slightly relocated in places to remove curves, will be of asphaltic concrete. A total of 53,500 tons of the asphalt concrete will be required for the job. Price of the substance in Basich Bros. low bid is $3.25 a ton.

Also involved in relocation and construction of the highway are 46,000 cubic yards of excavations; 1,600,000 station yards of overhaul; 21,000 tons of crusher run base; 10,500 tons of mineral aggregate.

Start of the work will culminate efforts of many years on the part of Redwood City's Chamber of Commerce and business men and County Legislators Harry Parkman and Frederick Peterson.

Widening of the rest of El Camino Real to Palo Alto is expected to be effected within the next two years.

Emma C. Gilbert, Woodside Native, Dies at Age of 70

Daughter of pioneer Woodside residents and herself a native of that community, Miss Emma C. Gilbert, who was born July 13, 1866, in a house still standing on the "old home ranch" of the Gilbert estate, passed away Monday afternoon in a San Francisco hospital after a three weeks' illness.

Miss Gilbert, who had lived in San Francisco for the past 20 years, taught school at Woodside, then at Polytechnic High School in San Francisco before turning to accounting as a profession 25 years ago, being employed for some time with the S. H. Frank & Co. tannery here prior to moving to San Francisco, where she made her home at 226 Shrader street.

She was the daughter of the late Stephen and Ann Watkins Gilbert. Mr. Gilbert farmed for many years on his Woodside place; was a school trustee, and served San Mateo county as surveyor nearly 50 years ago.

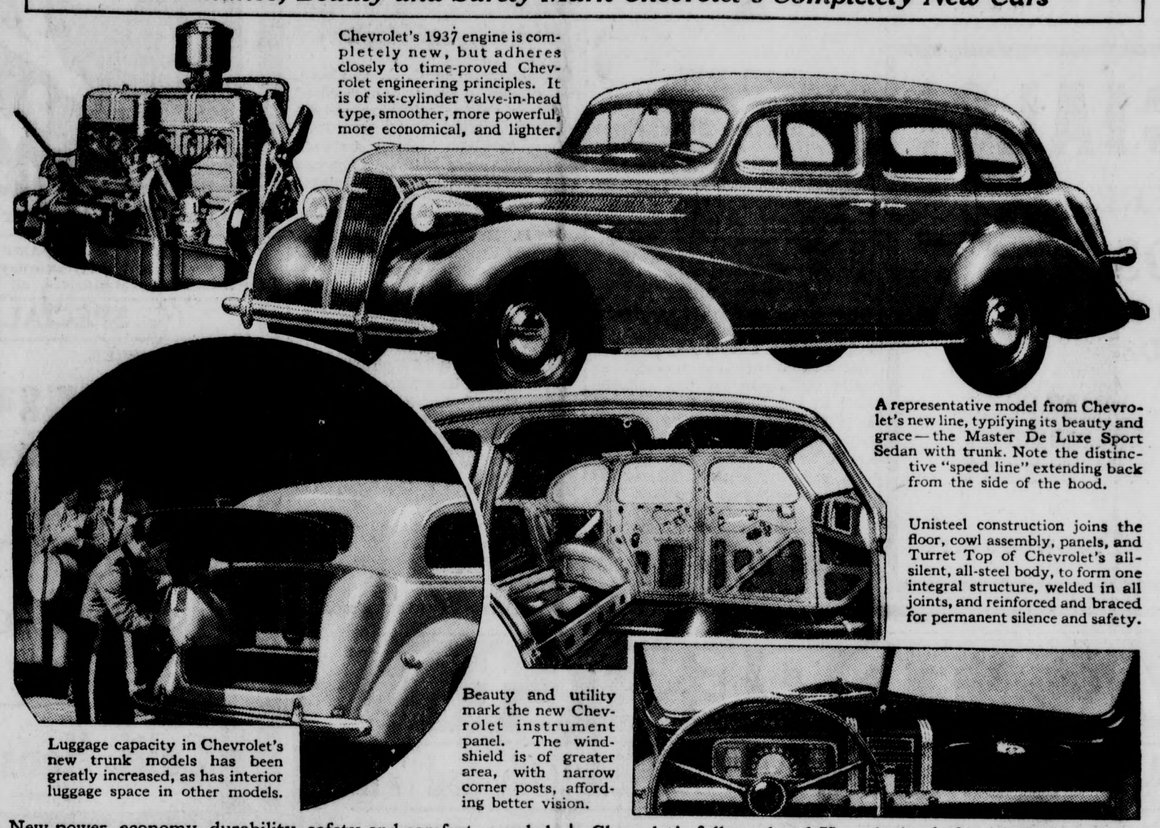
Miss Gilbert's brother, the late William Gilbert, also was a county surveyor, being employed in that capacity two decades ago.

Left to mourn passing of Miss Gilbert are three sisters, Mrs. Jessie Frazer of 222 Iris street, Redwood City; Mrs. Fannie Greer, 1315 Hampel avenue, Oakland, and Miss Eve Gilbert, 880 Haight street, San Francisco. She was the sister also of the late George and Henry Gilbert.

R. C. ADDRESSES FILED

On file at the city water department today were the following new addresses: Mrs. Fern Nafe, 640 Cassia; Mrs. T. Keller, Eaton avenue; Mrs. L. B. Gould, 258 Harrison; A. F. Aschman, Oakman avenue; H. E. Pries, 522 Roosevelt.

Performance, Beauty and Safety Mark Chevrolet's Completely New Cars



Chevrolet's 1937 engine is completely new, but adheres closely to time-proved Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unisteel construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-silent, all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Syncro-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.

Smith is to make several speeches while there. He was rector of the church longer than any other minister. Rev. Smith is held in high regard in Redlands.

The election on Tuesday was a quiet affair. About 87 per cent of the registered voters came to the polls. The candidates for supervisor, J. W. Poole, Alvin Hatch and J. S. James, received a large vote.

Editor Alfred Harrall of the Bakersfield Californain pays a neat tribute to Attorney John Shortridge, who recently located in Bakersfield, in a recent issue of the paper:

"Many residents in Bakersfield and Kern county will extend a warm welcome to John Shortridge, who has definitely determined to locate here for the practice of law, and who associated himself with the well-known firm of Osborn and Burum. Young Shortridge, a recent graduate of Stanford University and of Hastings College of Law, is the son of former Senator Samuel M. Shortridge, for whom the people of Kern entertain a feeling of warmest friendship. They recall that during the 12 years he was a senator he was ever mindful of the needs of this county and rendered to the community material assistance along many lines. He was the original champion of a tariff on oil and his sponsorship of the Central Valley water program contributed largely to the federal support it achieved in the years thereafter. Young Shortridge will have many a cordial greeting from those who admire his father and are appreciative of his fine service to Kern county.

Bank Robber Pleads Guilty

Charge of Holding Up Los Altos Bank Admitted

Unless the parole system again intervenes to give him freedom, Chester William Clark, 37-year-old "California Dillinger," will never again rob a bank or shoot at an officer like Police Chief Edward J. Wheeler of San Carlos, seeking to question him.

The bandit, after pleading guilty to robbing the Los Altos bank August 14 and shooting Stanley Garrett, bank employe, was to be taken to Folsom prison Tuesday to serve the rest of his life. He was sentenced there Monday afternoon by Superior Judge R. R. Syer of San Jose.

Because of the life term, it is not considered likely he will be returned to San Mateo county to face charges of shooting at Chief Wheeler in a gun duel September 17.

Hagan Appointed Bank Assistant In Redwood City

Appointment of J. P. Hagan as an additional assistant manager of the Redwood City branch of the Bank of America was announced today by L. M. Giannini.

"Our confidence in the future of Redwood City and San Mateo county is best evidenced by our increasing activity in this community," he said, in making the announcement. The second branch bank planned here will be opened about the first of the year.

Hagan has been connected with the Bank of America since 1920. He was selected for the post here, Giannini said, "because of his excellent record with our institution and because of his diversified banking experience."

"As manager of one of the metropolitan banking offices in San Francisco, the Harbor Branch, Hagan has proved his ability not only as a banker but a man who is civic minded and one who has marked ability in developing the community in which his bank is located. His banking experience, however, has not all been confined to metropolitan centers. Before his appointment to our San Francisco organization he was for several years engaged in banking in the San Joaquin Valley."

Hagan assumed his new duties today.

Helen Jacobs To Pen Novel

Tennis Player, Now Palo Altan, Denies Marriage Report

PALO ALTO, Nov. 2—Radio reports of Walter Winchell, New York columnist, that Helen Jacobs, famed tennis player, was sailing to England to marry Hershel Johnson were vigorously denied here today by Miss Jacobs' mother, Mrs. Eula H. Jacobs, who a few weeks ago took a house at 880 Palo Alto avenue.

Mrs. Johnson said that her daughter had left Saturday for the East preparatory to sailing to London on the Empress of Britain, but that she was going to England solely for the purpose of writing her first novel. Subject of the book was not revealed, but Mrs. Jacobs said it "will not be about tennis."

While in London, Miss Jacobs, who has been living here with her mother, will be a guest of Ambassador Robert Bingham and his family at the American embassy.

Coast Rancher Electrocuted

Robert Morello, 49, Dies As Well Pipe Touches Wire

HALF MOON BAY, Nov. 3.—Knocked unconscious by a charge from an 11,000-volt power line that electrocuted his companion, Alfonso Oddoni, Pescadero ranch worker, was able to be around today, although painfully burned, and aid in making funeral arrangements for Robert Morello, 49.

The pair had been drilling a well on the farm of Morello's brother-in-law, Louis Barasoni, a half mile south of Pescadero.

Yesterday afternoon, about 3:30 o'clock, they were pulling a 1-inch pipe, 30 feet long, from the well. Twenty-three feet overhead ran a high voltage power line. Apparently the pipe swayed in the wind and contacted the wires.

According to Oddoni's story to Deputy Coroner Victor Gola, the next he remembers he awakened about 4 o'clock. Sitting up, he noticed Morello prone on the ground.

SIGNAL NEED ON BROADWAY AGAIN AIRED

Councilman Eva Asks Definite Action For Or Against

Definite determination on the type of protection that Redwood City should provide at the Broadway, Jefferson and Main street crossings—whether to retain the flagmen or to replace them with latest signal lights—was requested of his colleagues by City Councilman James Eva Monday night.

The council referred the question to a committee consisting of Councilmen Evans Fletcher and Louis Christensen and will expect a report November 16.

SHED REMOVAL ISSUE

Councilman Fletcher said that he had been conferring with A. T. Mercier, general manager of the Southern Pacific, and that a definite plan involving the freight shed was evolving. Mayor Paul McCarthy explained that the delay in installing the signals was for the purpose of permitting the city to force the removal of the freight shed to another location to avoid the Broadway traffic congestions.

FIRE HOUSE HALL USE TO BE LIMITED

Use of the Fire House Hall for any partisan political meeting in the future will be allowed only by consent of the council secured two weeks in advance of the meeting, the city council decided in a 4-2 vote.

Councilman Evans Fletcher brought up the question following the recent Communist meeting in the Fire House Hall. He took offense at the Communists' announced stand in that hall that in the event of conflict between the United States and Russia, American Communists would bear arms for Russia.

SETBACK CHANGES SET FOR HEARING

Proposed changes of setback lines on Arch, Birch and Clinton streets in order to speed apartment and home construction will be publicly heard November 17 at 8 p.m., in the Fire House Hall, the council was informed.

DECEMBER 8 BOND VOTE ORDINANCE ADOPTED

An ordinance setting the second 1915 bond act refunding vote for December 8, to replace the $425,000 issued voided by the courts, was finally adopted. The new issue will be for $350,000.

W. J. Hotchkiss, Owner of Port Land Here, Dies

William J. Hotchkiss, wealthy Berkeley resident and owner of the Hobbs, Wall Lumber Company, San Francisco, died Monday in the Berkeley Hospital at the age of 79 years.

Hotchkiss owned property on the Redwood City waterfront and last June 6 announced plans for a lumber terminal at the harbor here. It is not known whether or not his death will affect the plans of the firm.

With Thomas Allan Box of Sausalito, he was responsible for early movement to construct the Golden Gate bridge.

He was president of the Hotchkiss Estate Company, president of the Visalia Orchard Company, a director of the North American Oil Company, chairman of the executive committee of the California Packing Corporation and sole owner of the Hobbs Wall Lumber Company of Oregon.

He is survived by a daughter, Mrs. Hazel Hotchkiss Whiteman, former tennis star, and three sons, J. Miller Hotchkiss, Lyndelle Lee Hotchkiss and Marries T. Hotchkiss.

Mrs. Jewel Thomas Succumbs to Hurts

Struck by a machine while she was walking on Sagamore street between South San Francisco and Daly City, Mrs. Jewel Thomas, former resident of Redwood City, was fatally injured Monday night, November 2. She died in the San Francisco Hospital.

Mrs. Thomas was the widow of the late Henry Thomas. She had made her home in South San Francisco for some time prior to her death. She is survived by two daughters, Mrs. Jewel Hawthorne of Redwood City and Miss Audry Betty of San Francisco and a son, Henry, also of San Francisco.

Petitions Seek Peoples Mandate To Prevent War

Petitions were placed in circulation in Redwood City today in connection with the campaign to secure five million signatures for the committee heading the Peoples Mandate to Governments to End War, of Washington, D. C.

Between now and December 1 the five million signatures will be sought, and on November 6 "Inter-American Peace Conference Day" will be observed. On that day the United States delegation will sail for Buenos Aires to attend the Inter-American Peace Conference.

Purpose of the mandate Mrs. Carrie C. Catt, honorary chairman, announces, is to "express such overwhelming opposition to war that governments will not dare resort to it."

Petitions will be placed in key points in Redwood City by the local committee, which emphasizes that the movement is in no sense Communistic because of its appeal for peace.

Wife's Fortune Goes To S.C. Railroad Man

That she left her entire $40,000 estate to her husband, George McCormick of San Carlos, Southern Pacific general superintendent of motive power, was revealed today with filing for probate of the will of Mrs. Leila McCormick, who died September 20 in San Francisco.

Mrs. McCormick stipulated in the will that she was confident her husband would take care of her two brothers and three sisters, who all live in Texas. The McCormick residence is St. Francis way and Elm avenue, San Carlos.

Menu Flashes by Joan Andrews

Persimmons, beautiful and exotic, are with us again. Did you ever try a persimmon cream pie? It's a sunset-hued temptation. First wash three very soft persimmons and put them through a ricer or strainer. Beat two eggs and add half a cup of sugar (or more if you wish) and a little salt. Mix well and add two cups of rich milk or cream and the mashed persimmons. Pour into a partly baked pie crust, dot four teaspoonfuls of butter over the top and bake in a slow oven until the custard sets.

The richness of this pie depends on the richness of the milk or cream you make it with. If you use Golden State Top Milk, you'll get grand results. Golden State Milk is rich in cream, as well as rich in all those other valuable milk solids.

Harbor Road Pledge Sought By Council

Assurances will be sought by the city council, it had been decided today, that the new board of supervisors, to be seated after January 1, will be favorable to the improvement of Harbor boulevard before the highway will be annexed to Redwood City.

County Engineer Urban Marshall, who was instructed by the board to prepare a project for the highway, is understood to be opposed to the concrete slab at this time, as further fill of the roadway will be necessary. Marshall is reported to favor an asphaltic roadway for the present.
